

**regulation of cysteine-type endopeptidase inhibitor activity**

- positive regulation of cysteine-type endopeptidase inhibitor activity**
- positive regulation of epithelial cell migration**
- positive regulation of establishment of blood vessel endothelia**
- angiogenesis**

**regulation of epithelial cell proliferation**

- negative regulation of natural killer cell mediated cytotoxicity**

**negative regulation of leukocyte mediated cytotoxicity**

**positive regulation of ERK1 and ERK2 cascade**

**positive regulation of tumor necrosis factor alpha production**

**positive regulation of tumor necrosis factor beta production**

**regulation of blood vessel endothelial cell migration**

- positive regulation of endothelial cell migration**
- regulation of endothelial cell proliferation**
- negative regulation of natural killer cell mediated cytotoxicity**

**regulation of ERK1 and ERK2 cascade**

**regulation of epithelial cell migration**

- regulation of endothelial cell migration**
- negative regulation of cell killing**

**positive regulation of blood vessel endothelial cell migration**
